Dear Pastors, Churches, and Praying Friends,

It has been a while since I sent my newsletters; however, I am still alive and active in soul winning. This year has been a year of blessing and encouragement. My second son was saved at Camp Victory. It was a joy to see one more soul has been saved. We were able to sing "I stand amazed in the presence of Jesus the Nazarene, and wonder how He could love me, A sinner condemned, unclean." Chas. H. Gabriel

We are approaching the Easter Period, and my preparation to travel to Malawi seems going well. I am hoping to get the authorization from the Malawi government which will allow me to preach in a refugee camp. The condition in Camp is not the best, but there are Thousands of souls there and every soul has a destination. My desire is to share with them the hope which this world cannot offer. My heart is full of joy to meet these people - these are the people who do not have hope in Christ. Their spiritual needs are very neglected and depravity. Kindly, I would like to ask you to take time and pray for the people who live in the condition in which people feel that there is no God because they do not see the purpose of living.

My prayers are the same as Robert Raikes. Robert knelt beside his father's grave after the funeral. Where would he go now? What would he do with his life? He'd always worked beside his father in the printing shop. But now those days are gone forever. Robert Raikes invented Sunday School. After reading Robert's prayers, I came to realize in my prayers where these people in Camp will spend their lives. As Christians, we know that there are only two places where our lives will take a rest, either in Heaven or Hell. Hell is a real place, but many people do not know that. Hell is a place of darkness, weeping, wailing, everlasting fire, separation from the righteous, everlasting punishment and the lake of fire burning with brimstone. I thank God if I have life, it is from God. If I have light, it is from God. If I have sight today, it is from God. If I have faith to embrace Christ, it is from God. God alone can give life.

Please keep us in your prayers. I am doing well, and also my family.

God bless you.
