Dear Pastors and Prayer partners,

I hope this letter finds you well. I am doing well here in the United Kingdom. God has been so faithful to us. As you know, last year I was unable to travel to Malawi because of the passport issue, but the issue has been resolved. I am planning to be there at Easter time. Prayer requests - my wife is not doing well with her health. There is an investigation going on now to find out what the problem is. Some days she finds it difficult to cope with some tasks. Most mornings, she feels dizzy. Pray for my son Lemuel. He is not doing well at school because of his speech problem.

I just want to thank you for all your prayers and support. Pastor Tyler Gillit (Worth Baptist Church) can tell you how we are working for the Lord here in the UK. Pastor Tyler visited us a few months ago, and we were very pleased to see him.

May God bless you! Thank you so much for everything you do for the cause of Christ.
