## Missionaries to Guatemala

## Salvations and Baptisms

We rejoiced to see souls saved and baptized these past couple of months. Young Tomas was saved during one of our morning services and desired to follow our Lord in Believer's Baptism. Our son Joseph was saved at youth camp during our furlough last year, so he also was baptized. An elderly couple who had been attending our church for a while, needed to be baptized but were waiting for winter weather to pass, since we usually baptize outdoors. We found a local, thermally heated (from the volcano) pool for them. Praise the Lord for souls added to the church this spring!

## Graduated from NBBS...Again!

Mother's Day is always a special service and dinner at the church in La Esperanza. We honored the mothers present, including several who were visiting. Later in May, Tammy and I traveled to Texas so that I could walk across the stage to graduate, along with our own Pastor and several others, from the Norris Bible Baptist Seminary in Fort Worth. We had thoroughly enjoyed taking more classes while in the States last year, and I was able to complete enough hours to earn a Bachelors degree. It was truly a blessed time. Our eldest daughter Jessica is continuing to work and study full time there. Please pray for her as classes start back up in the Fall. Thank you all very much for co-laboring with us through your prayers and financial support for the cause of Christ here in Guatemala. May the Lord bless you richly!
