

Daniel Coates Family
MISSIONARIES

...In Guatemala Since 2002

January – February 2023

Import Problems

With the Lord's blessing, we were able to purchase a newer SUV to help replace the lower in height vehicle, with something with more clearance. We rejoice in this opportunity, but it did come with issues by the importation agency of the Guatemalan Government. We also believe that due to our broker making an error and or it being an election-year, things got complicated. Bro. Daniel had to go to the border for several weeks until it would all be dealt with. Thank you to all who follow the Daniel Coates Family page on Facebook and were keeping up with the day -to-day issues.

Ministry of ESL

Each Sunday evening after church we have a ministry to teach boys and girls, men and women ESL or English as a Second Language. Although the class size varies much, we continue to use our King James 1611 Bible to teach the students the Bible English. Well, one Sunday in services before the class this 'Happy Fellow' with the smile trusted Jesus Christ as his Saviour. He was full of joy in our English class which followed the service where he had accepted Jesus Christ as Lord. The classes run every first day of the week,

The bus ministry is a great opportunity for your prayers and support. We run it for every service, especially in the elderly who would have no way to get to and from. Especially handy with the Monsoon Rains.

Please keep this ministry as well as all the others and the Daniel Coates family. Thank you all for our love, care and support!

His servants,

Daniel & Tammy, Jessica, Jillian, Joseph, Johanna, JB, Joel, Jeannette, Jayne, Jael, Joshua f& Jadon Coates
