**September 16, 2010 - Independence!**

Dear Praying Friends,

**Mexico celebrates its 200th year of independence this 16th of September!** Please pray for Mexico, for though the country is free from foreign intervention, it is not free from the graft, the internal corruption and the mafia that control the drug war that is going on right now. I really think that we are either headed for a revival or civil war. Pray that God will give us wisdom in doing His will and work, and that He would protect us as we share the gospel with those who are in need.

**Many are celebrating independence from the shackles of sin because of the Gospel has reached them!** I had the privilege of winning 7 people to the Lord last week. Amongst those I won was a 74 year old woman on door to door soul-winning, and a 74 year old man on his death bed in the hospital. A 55 year old man I won to the Lord told me: "Bro. Daniel, I have been searching for an answer to my problems, and you have given me that answer today!" Praise the Lord that we are free indeed when we trust Him as our Savior (John 8:32)! Every soul that we personally win, or that our people win, you have had a part in, for you have given seed to the sower (II Co. 9:10), and God will bless you for your part in carrying the gospel to the Mexican people during this chaotic/celebration time.

**Independence from the condemnation of sin makes us interdependent as we serve the Lord together:** This is true in the local church level. More than 50 people were involved in the Vacation Bible School in Bethesda alone, with an average of 276 during the 5 days and 33 souls won to the Lord and a special offering given to a Mexican missionary actively serving in China! One special note: our largest class is the adult class!
