September 22, 2011 - Furlough has begun!

Dear Praying Friends,

The basis for a missionary to go on furlough is found in the New Testament when Paul and Barnabas returned to Antioch (Acts 14: 27): *"And when they were come, and had gathered the church together, they rehearsed all that God had done with them, and how he had opened the door of faith unto the Gentiles."*

- Three Goals While On Furlough:**
1. We want to honor our Lord and be a blessing to you. Pray that God will use us to be a witness of His saving grace and a testimony with our lives and lips.
 2. We want to raise support for the Institute. We now have 50 students with the prospect of another 20! Over the years, we have had as many as 10 churches supporting the Institute, but now there are only two.
 3. We want to raise a building project fund which churches in Monterrey could use and repay with no interest so that it would be available for future works. We would like to raise \$100,000 for this fund.

Thanksgiving: We thank those who have responded towards helping us with the debts we have because of Michelle's previous health problems. So far, just under \$2,000 have come in out of the \$6,500.00 we owe. Thank you! Another need provided was a vehicle that we rent for \$250.00 a month (insurance and maintenance included)!

V.B.S. in Bethesda, 2011- Packed!

Violence in México: In August, 52 people were killed in a casino in Monterrey, bringing the horrific crime scene to a new low. The president said it was the worst attack against civilians in the 5 year war against the drug cartels. **Pray for México!**

News as we travel: We started furlough with a Family Conference at the New Horizons Baptist Church in Fort Worth, Texas. This Hispanic church is pastored by my son-in-law (Javier Garza). It was great to see 7 of our 8 grandchildren, but greater still to see **5 souls saved and 2 more in door-to-door soul-winning!** In the month of September we will have been in 9 churches (three mission conferences) and will have driven more than 5,000 miles. In October we are going up north to Ohio and Michigan. Keep us in your prayers as we travel. We do have several needs in our "needs notebook" on our display, and we ask that you prayerfully consider these when we go to your church.

In Him,

Thank you for your support received in July and August of 2011.
