**September 25, 2013 - Growth**

Dear Praying Friends,

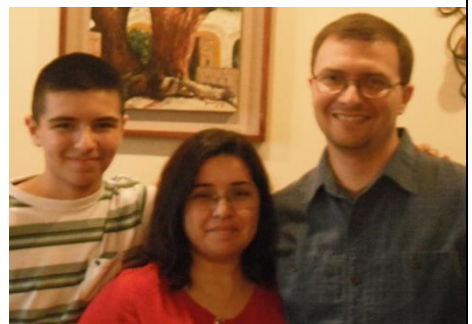

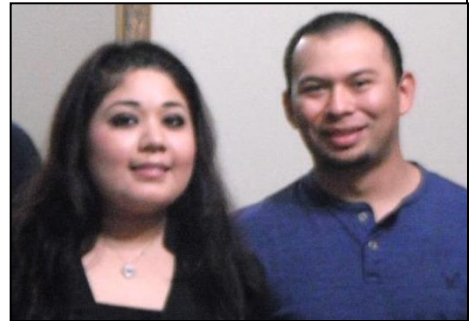

We are encouraged by what we see in Mexico, and the growth of the works there. On the chart at the right, we have the Vacation Bible School results for this past summer. God is truly blessing the work through national pastors and workers.

However, violence has not ceased to grow either. One of our families from Bethesda Mexico went on vacation, and was carjacked, and the husband was nearly kidnapped! They lost all of the possessions they had with them, even the items in their pockets! Pray for me as I travel there in October and November to participate in a Missions and Pastors Conference and teach in the Bible Institute. In spite of the trials, the work in Mexico is growing!

July and August have been the best months for Bethesda McAllen with an average of 42 in the two months. We had 5 saved, 3 baptized and 2 others join! In September we have had great services with souls saved, but the greatest victory was to see Antonio Reyes get saved (pictured here with Gladys) one week before his wedding! We asked back in January you pray for Antonio, and God answered your prayers! We are growing!

We do have a difficulty though, we have lost two families (a total of eight people) because of no transportation. We do need a bus route, and we ask that you pray that God would provide a van and a driver.

**Family News:** Michelle and I have had the privilege of seeing 8 of our 11 grandkids in July and September. To the left is Michelle with 6 of the 7 grandchildren that our daughter Darla and Javier have given us. They were with us for 4 days in August. At the right is Danny, Jr's family whom we were able to see this month. Please keep him in your prayers as he will be deployed in October to Afghanistan. Next month, our 12th grandbaby will be born! Our family is growing! Let us all keep growing in the Lord! II Peter 3:18

In Him,
