May 21, 2015 – April showers bring May ...

Dear Praying Friends,

Flowers. It has been raining and because of that, the flowers are in bloom, and so are our allergies! There have been shower’s of blessing in the works also, and we want to share them with you!

Leaders in training are a part of the blessings. Pictured to the right is my newest discipleship class. Pray we train many to serve Him.

Our gratitude is to you who so faithfully pray and support us without which we could not share what God is doing through our combined efforts. Thank you!

Women’s meetings have been blessed this month! My wife, pictured here with my mother-in-law, did a great job at our first Mother-Daughter brunch. Mom Weaver led the singing and Michelle brought the message to 40 mothers and daughters! The theme of the meeting was “The Fragrance I Can Be.”

Extraordinary growth has been the results of the showers of blessings in the last two months. The Lord blessed in our April growth campaign. The theme was “The Soldier of God” in which we averaged **68 in Sunday School!**

Believing that we should be an example to our people, Michelle and I brought 14 to the services while two other couples brought eight each and one brought 6 with many bringing two or three! In March we averaged 50, and thus far we are averaging 70 in May! We have had baptisms in March, April and will have baptisms Sunday the 24th also! Seventeen souls have been saved since we last wrote to you! Keep praying for Bethesda Baptist of McAllen!

Renting or buying is a must for us now. We are renting at a price of \$2,000 for just about 3,000 sq. feet (that is cheap here, we should be paying \$3,000 according to standard rent!) Please keep this need in your prayers! The picture above is one of the services in May.

Sickness has not been a stranger to us during this time. Though my health has bettered, and Mom Weaver’s is doing fine, Michelle has really had a lot of medical issues that would discourage anybody (fibromyalgia, rheumatoid arthritis, asthma and migraine headache) besides the thyroid operation, the colonoscopy and the sinus operation in the last 3 months! Yet she does not complain and is a great worker. She is planning VBS for this summer and is constantly training people to teach in Sunday School! Please keep her in your prayers!

In Him,

Daniel and Michelle Jones

We thank you for your support of \$ _____ given in April of 2015.
