Dear Praying Friends,

Sometimes people think of a missionary as a “one place” person. He is called to a certain country or a certain people group and that is where they think of him and his ministry. The Lord has truly given us not only a great ministry in México and a new ministry in the Rio Grande Valley, but in reality, He has given us an international ministry through our Bible Institute. I want to give you an update on this young Timothy in the ministry: **Otoniel Gómez.**

This young man came to us from Guatemala (Quetzaltenango) where he was saved and baptized under the ministry of Bro. **Frank Martin.** He graduated from our Bible Institute in 2000 as the 34th graduate. He married Ana at our church in Mexico in 2001 (picture to the right) and immediately went to the field. **The preacher:** He started a work Ostuncalco, Guatemala, a short distance from his home town of Quetzaltenango and at the same time

taught in a Bible Institute Bro Martin had started. (The picture to the left was taken as I taught his class, when I went to Guatemala to participate in his ordination in 2001). His work has an average of over 60 in Sunday School. A man in a church in Kansas helped him a to get his first building started, and in that building he not only started a church

but a printing ministry as well! Today he prints thousands of tracts, Vacation Bible School materials & Sunday school lessons in Spanish for churches in Mexico, Guatemala and Central America.

The School Teacher: Otoniel has started a new ministry, in the University of Quetzaltenango. A Philosophy class asked him to come to the University and expound on the subject: “Why are we here?” Then in a Sociology class, they invited him to speak on the subject of “love and courtship”. In both classes he expounded the gospel of Christ. Both classes have invited him back to teach them more about the Bible! He teaches the Word of God on a regular basis in a grade school, and is planning to open up a calligraphy class in order to re-inforce his teaching of the Gospel of Jesus Christ.

He does all of this so that the Gospel can reach others!

This is what Oto’s family looks like today (picture to the left). They lost their first son at birth, but God has given them another son and daughter and they are all involved in the ministry!

Please keep Otoniel, Ana, Aaron and Daisa in your prayers!

We never dreamed of having a ministry that reached out on an international stage. Oto is not the only one that is working in other areas of the world. We have graduates in the US, starting Hispanic works and Bible Institutes, one in Panamá who has started several works and a Bible Institute, and now several on deputation that are going to Argentina, Japan, and Korea!

Praise the Lord for men whom we have trained and are serving Jesus reaching out not only to

Hispanic people but going beyond their own language to take the gospel to the regions beyond!

We are aware of the sacrifice you make in order to partner with us. We pray that God will supply your need and make it possible for you to keep supporting your missionaries. We need your financial support and your prayers more than ever. Your giving continues to produce results. **Keep the Bible Institute In Your Prayers & Support!**

In Him,

Daniel L. Jones, Sr.
