April 30, 2018 – Trips to Remember

Dear Praying Friends,

In March I had the privilege of reporting to 10 of our supporting churches and to preach in the first Leadership Conference my son-in-law had in his church (Iglesia Bautista Nuevos Horizontes of Fort Worth, Texas). While there, I got to meet my 14th grandson for

the first time! (See Institute letter for an update on him). My travels took me through Texas, Oklahoma, Kansas, Michigan, and Missouri before I was back home in 23 days! Results of the trip: 2 won to Christ, 2 surrendered for baptism and many to pray at the altars. For the first time I was able to “get away” from the work in McAllen with only the help of three men from our church whom I am training in the work. Two souls were saved while I was gone! This trip also brought me in contact with my two sisters and their families (pictured below to the right). It was a trip to remember!

In April I made a trip to Mexico, where I was able to participate in the ordination of Joel Sánchez (pictured to the right). He is a graduate of our Bible institute in Monterrey, and was saved and baptized

under our ministry. He is a missionary to Japan. A presbytery of 4 pastors formed the committee to examine him. I had the privilege of participating in the examination. After the public questions, we proceeded to ordain him, and then I preached. There were 300 in attendance & many came to the altars to pray and to dedicate their lives for service! A partial picture of the congregation is to the right. Another trip to remember!

At the end of April, a group of 30 people from Calvary Baptist in out tracts, held a youth rally and did a Children’s Day program for our church all in three days! Joe Gunther, the youth director, preached and several responded to the invitation. Our youth noted the good spirit of the young people and that all of them participated in the offering! Another trip to remember!

In Him,
