May 23, 2019 – Institutes and graduates working for the Lord.

Dear Praying Friends,

We thank you for keeping the Institute ministries in prayer and support.

Our first Bible Institute has had 35 graduation exercises, 100 students graduate, and produced pastors, missionaries, Sunday school teachers for Mexico and the world since 1980. The institute has reproduced itself into 17 other institutes! Thank you for being a part of this world-wide effort of training men for the ministry!

One of our graduates will be with us today, and we will be the second to the last church he reports to before flying to Corea the 30th of this month! He is Chuy Palomo (see upper right picture) He and his wife will be the first Mexican missionaries sent to South Korea! By the time you receive this letter we will be in Mexico for his ordination on Sunday the 26 of May!

Darla Garza, our daughter, is married to **another one of our graduates, Javier Garza** who started the Iglesia Bautista Nuevos Horizontes in Fort Worth, Texas. He also started an institute in that church. We had the privilege of having Darla as our featured speaker at the annual Women's Day Luncheon for our work in McAllen, Tx.

To the right Michelle is introducing her to the women of our church. There were 36 women in attendance and the men served the tables! Then on Mother's Day she and two of our grandchildren sang a special! We had 96 in attendance that day with 22 mothers!

Our 15th Institute is the McAllen Institute, in which we now have 8 students! One was missing because of sickness the day that we took the picture (bottom right). We are currently studying the book of Hebrews. They help in Sunday school, leading the singing, ushering and visitation.

You make it possible for us to train workers on both sides of the border!

In Him who saved us,

Daniel L. Jones, Sr.
