Dear Praying Friends,

Work in McAllen: Since our last letter to you, we have had 2 more baptized, 8 saved on visitation and we averaged 99 in Sunday School in the month of August! Please keep praying for us as we look for a bigger place! As you see in the picture to the right, it is wall to wall **PEOPLE!**

Up-date on the Church Property: We thank the Lord for individuals like Dr. Raymond Barber and churches like Friendly Lane Baptist Church for giving towards the land and building fund in August. Can you help? Sunday the 13th of October the church is going to see another property, that has a building and 10 acers of land. It is for \$605,000.00. We will give a report on that in our next letter! If anyone knows of a person or entity that would help us in lending us the funds to do so, we would deeply appreciate that! The church has over \$100,000 in the building fund now!

Michelle's health: The months of August and September have been good months for Michelle and her health. We thank the Cornerstone Baptist Church for helping with \$2,000.00 towards the debt that we have in out-of-pocket medical costs! We were able to give a report in their church on Sunday July 21st, and we appreciate the wonderful way Pastor Arrd and church treated us! We had a surprise birthday party for Michelle on Thursday Sept. 5. **I PRAISE** God for giving me a wonderful, hard-working, faithful wife! Michelle and I are pictured above.

Souls: Everything we do is geared to reaching the lost and discipling the saved. Bro. Chuy Chagoya was a deeply troubled man. He was demon **POSSESSED** when we witnessed to him and his wife Arely (pictured to the right) for the first time. He was nervous, did not want to hear, though his wife was saved, he just wanted to leave or make us leave! We found out that his mother is a practicing witch and had a spell on him. Later on, when we witnessed to him, he kept scratching and sweating profusely, yet he listened and repented of his sins and was saved! He later told his father in law (who is a member of our church) that he felt the devil “oozing out of him!” His mother upon seeing him the next day asked him what “medicine man” had he gone to because the altar that she had built to put a spell on him had broken in two and had fallen to the ground! He told her that he had not visited anyone, but that Jesus was in his heart now! The Lord still saves those who are in the devil’s chains!

Prayer requests: God’s guidance in buying property, our Missions Conference in October Merced and more souls saved!

In Him,

Daniel L. Jones, Sr
