Oct. 29, 2020 – Covid-19 Moments!

Dear Praying Friends,

When I hear the word “Covid-19” I hear something menacing, harmful and gloomy. **We praise God that though eight of our members have had Covid-19, only one was hospitalized and has since been released.** Even so, we have had several “Covid-19 moments” that have been a blessing!

Covid-19 VBS: In July we had our first “virtual” VBS! We had about 15 in the building while most of the children watched from home! It was different, but a blessing. That I know of, at least one child was saved! Miss Melissa Houston directed the VBS, even though she was in pain that later led to surgery!

Covid-19 missions: Annual Faith Promise Missions Conference in September, with 4 missionaries presenting their fields (you guessed it, virtually!) Our faith promise was \$25,000.00 for the year (they gave \$20,000.00 last year!) Another blessing to our church is the Tunnel family, missionaries to Argentina, who are coming to our church during their time in Language School! Pray that we will be a blessing to them! Our church here already supports them!

Covid-19-wedding: In October, I married a couple that had been living together. I led them to the Lord and then I baptized them in September of 2019. They were going to get married in March when the pandemic hit and all plans were postponed. I am thankful they obeyed the Lord, and have become faithful members!

Covid-19 averages: Since our last letter to you, we have seen the average of attendance on Sunday mornings go from 80 to 89, with **8 souls saved and 3 baptized!** We hope to start Sunday School in the mornings in November or December. Please pray that God will open the doors to do so. Right now, we have “Virtual Sunday School” on Sunday evenings.

In Him who died to save us,
