October 29, 2020: Institute in McAllen, Building Fund, Bible Day and Michelle's health.

Dear Praying Friends,

### **Update on our Institute in McAllen.**

In July and August, the Institute students were "off" on vacation, & then in September we began classes again. Bro. Israel Reyes taught I Samuel through II Chronicles with 7 students, Bro. Americo Rodríguez taught the Gospel of Mark with 9 students and I am currently teaching Missions I with 10 students. We have had some communication difficulties, since all classes are "virtual" right now. Please pray for our students and for the teachers as well. During 6 weeks of study, 11 students reported 329 visits, with 4 souls saved and 11 visitors brought to church! 20 participated in preaching and 8 led the singing during these 6 weeks. Please keep the Bible Institute teachers in your prayers also!

### **Building Fund Up-Date:**

We are pleased to let you know that we have more than **\$160,000** saved up for the purchase of a place for the work in McAllen! We thank God for the churches who have given towards this goal. We are looking for a property that will best suit our needs. Now that Covid-19 has come and it seems not to leave, we know what we need as far as space is concerned. Pray that God will give us a larger space soon, for we are having 2 services on Sunday morning because of the restrictions!

### **Bible Day:** October 11 was our annual Bible Day service.

Though Covid-19 restrictions have not allowed us to visit like we used to, we encouraged our people to take a Bible and give it out to someone in need of the gospel. We have already received 8 reports of our folks giving the Bibles and how these Bibles were a way of being able to witness to them for the first time!

**Michelle's health:** Michelle has had a terrible time with Asthma, bronchitis and pneumonia. She has been hospitalized twice this year because of these problems, and has been seeing specialists and undergoing tests. We have seen her improve since receiving some special fans that filter out the pollen, pollution, virus and bacteria in the air. We are so thankful to **Worth Baptist Church** for providing these fans for her! Pray for her as she will be undergoing a bronchoscopy to check out her bronchial tubes and lungs to see if there has been any damage and to see if they can possibly find what has been causing all these problems. Please keep Michelle in your prayers!

In Him,

Daniel and Michelle Jones
