

## Combined Personal and Institute Letters, December 24, 2020

Lk. 2:11 – “For unto you is born this day in the city of David a Saviour, which is Christ the Lord.”

### Merry Christmas and a God blessed year of 2021!

#### **Personal Letter:**

By the time you get this letter, Christmas will have come and gone. Thank you to all who have sent a Christmas offering this year!

**The work in McAllen:** We are averaging in the upper 90’s and we have had people saved on visitation, at funerals and in in the church services! In December alone, we have had 5 saved! We desperately need some property. Now with the Covid-19, we had to start having two Sunday Schools in order to accommodate everybody in a distanced way! We thank God for **Melissa Houston**, who has done an excellent job in keeping the children’s ministry going! We thank God for **the Tunnel’s**, missionaries to Argentina, who have jumped in with both feet to work with us while learning Spanish! Keep us all in your prayers!

**In Monterrey**, the Bethesda Fundamental Baptist Church was doing fine, with an average of 450 when the epidemic struck. They had to go to all virtual services. They were allowed to re-open in November just to be shut down again in December! Please keep Mexico in your prayers!

**In 1971, as a teen-ager**, I won Mr. Guerrero and his wife to the Lord. My wife won a young man to the Lord in Children’s Camp in 1985. This young man’s daughter married the grandson of Mr. Guerrero and they are now missionaries in Guatemala! **Michelle and I won a couple** to the Lord in 1987 and now their son is a pastor! Just like these two examples, there are many others. Gal. 6:9: “And let us not be weary in well doing: for in due season we shall reap, if we faint not.”

**Let’s keep planting the seed, God is faithful!**

#### **Personal Letter (continued):**

**Our Family:** Our Daughter Darla had a baby girl (her 9<sup>th</sup>) and our 15<sup>th</sup> grandchild on Nov. 21! Our oldest grandchild (Adrea Garza, Darla’s oldest) just got married on Dec. 19<sup>th</sup>! We were not able to celebrate in person with them because of Michelle’s health and Covid-19. Michelle has Tracheobronchomalacia, that means that the cartilage in the esophagus and the bronchial tubes are collapsing. Another Dr. thinks she has the beginnings of heart failure. She will undergo some tests in 2021. Please keep her in your prayers!

#### **Institute Letter:**

**Our Institute on the border:** We now have eleven students who are training to serve the Lord! All are active in the visitation and the Sunday School program of the church. Some are ushers, and some preach from time to time. For the months of Nov. and Dec., they made 439 visits, brought 14 visitors to church and won 4 souls to Christ! All of our classes are done “virtually” because of Covid-19.

**The Institute in Mexico** had their first “Virtual Graduation” of three students! More on this in our next letter to you!

**Our prayer is that Christ returns soon, and that He finds us faithful to Him, whether He comes or not in 2021!**

**We thank God for you, for your prayers and your support, without which we could not serve the Lord!**

In Him,

*Daniel L. Jones, Sr.*
