Missionaries to the Rio Grande Valley and Mexico

Report of March and April 2026 – We need your prayers!

Dear Praying Friends,

Michelle's Health: We reported in our last letter that Michelle underwent 5 days of studies in the hospital & they could not induce any epileptic episodes, nor could they confirm if **she** has **CIDP**. However, they were able to confirm that she **does not have Myasthenia Gravis!** As you receive this letter, we are going to be in Ann Arbor, MI. Michelle will have a Swallow test (May 28th), then an Airway Stent Placement (May 29th) and if all goes well, they will operate June 4th (**tracheobronchoplasty** – where they sew a mesh onto the outside of the trachea and main bronchi). It will be a 6-7-hour operation. **Please pray for Michelle and the extra expenses that this will involve!**

Ministerial Advice: We have had the privilege of not only training many men for the Ministry but also helping them with advice and counsel. Pray for **Jeriel González** whom we are training in the ministry and who will be taking over the work while we are absent. Lately we have prayed with and encouraged men serving in Mexico, South Korea, Argentina, Costa Rica and in Hispanic works here in the US! We also provide Sunday School lessons & Institute courses for them. Not too long ago, a man, his wife and daughter came by to visit us. He was saved under our ministry (in a children's camp) 45 years ago! I preached that night, and Michelle led him to the Lord! He gave testimony of how his life was changed because of that message! Now he has one son in the ministry and a daughter that just graduated from Bible School!

Ministry Outreach: Institute: The course in Genesis is ongoing with 7 faithful students. Six students finished the course: Starting, Maintaining and Growing a church. Right now, we are about to finish the Chrisitan. Counseling course with 9 students.

McAllen ministry: In March our church had its 13th anniversary, with 117 present and one saved! The church averaged these two months 101 in Sunday School with 75 coming back Sunday nights and 52 on Wednesdays! We had a special Children's Day service, and a wedding besides our regular meetings for the men, women, and youth of the church. Several were saved in these meetings and in our door-to-door visitation. Praise the Lord!

Increasingly, we are seeing that the ministry is not confined to the physical place you minister in, but in the people you reach and they in turn go out and reach others: **II Ti. 2:2 - And the things that thou hast heard of me among manv witnesses. the same commit thou to faithful men. who shall be able to teach others also.**

In Him who is our Savior,

Daniel and Michelle Jones
