June 7, 2012 – A New Bible Institute To Start!

II Ti. 2:2: *“And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.”*

Dear Praying Friends,

As you know, there is a lot of violence in Mexico, and much of it is in Monterrey. We just talked to a couple from Juarez, Chihuahua, which used to be the most dangerous city in the world and they said that the violence there is nothing compared to what it was four years ago. Monterrey is just the opposite; four years ago we had no violence compared to what we are seeing now. Please pray for Mexico!

Focusing On Our Graduates: Patricia Galarza

Patricia Galarza graduated from our Bible Institute in August of 2011. She was saved and baptized in another Baptist Church, but when the new pastor decided he believed that salvation was not eternal, she looked for a church that believed in the fundamentals of the faith. She went to Bethesda, and about 5 years ago felt that God wanted her to serve Him better in the local church. She dedicated her life to the Lord and started in the Bible Institute. The picture we have chosen is not her graduation picture, but rather a picture that depicts her life's calling: that of service. Wherever you see “Patty” (as we call her) you will see her serving. She is active teaching Sunday School, discipleship, and children's classes in her parents' home. She is the administrator of a buy and sell business in Monterrey, and has a tremendous testimony both in and out of church.

A New Bible Institute To Open In September!

We have 12 first year students that are coming to our institute from Cadereyta, about 40 miles from our church. They arrive at the institute at 7:15 p.m. and leave after 10:00 every night. The cartel (Zetas) stopped them one night and told them that they would allow them to go and come from their church to our institute, but that they will not defend them if another cartel attacks them or if they get caught in the middle of a gun battle between them and the army or between them and a rival cartel. So, after conferring with the pastor, we have decided to start another Bible Institute in Cadereyta! It will be the 14th such institute that springs out of ours! Please pray for all of the planning and getting of materials so that this can be possible. One good outcome of the violence is that we have been able to start other works and institutes where the people would not have thought twice to travel to our place before, but now because of the danger involved, they must either remain at home, or we start something in their area!

Good Reports Coming In From Current Students

I just received word that the current student body (48 students), in the month of May, was able to win 148 people to the Lord and took 24 of them to church! There are 7 churches represented in the Bethesda Baptist Institute.

I will be e-mailing our letters in the future because of the high cost of postage. If you would rather receive them by conventional mail let us know. If you did not receive this via e-mail and would like to, please let us know.

In Him,

Daniel L. Jones, Sr. –Gal. 6:9

Received for the Institute in April and May, 2012
