"Laboring Together"

For our five-day Vacation Bible School we went to different neighborhoods. We had clowns, puppets, games, refreshments and the gospel message. Every evening we had a good number of people. At the end of it all we gave out tracts and John & Romans Testaments to the people. Without the help of our local congregation and all of our supporting local churches, my family and I couldn't have done it alone. We thank the Lord for His blessings to make it all happen and for the different ones that were saved.

After a week of VBS the following week was Youth camp. We had two young people that went from our congregation along with another sister congregation in town. We were blessed for our home church Worth Baptist for sponsoring two young people to the summer camp. One of the teens surrendered his life to serve in the ministry.

One Sunday we had "Music Sunday." We were blessed by the folk's participating in singing and playing different instruments. The theme of the messages was geared to what God's Word says about music.

The new mission work being lead by Pastor Juan Pablo Rodriguez on the outskirts of town continues to go forward with services on Tuesdays and we have also begun to have Sunday morning services. My family and I are assisting them in the mid-week service and a part in the financial area to help start this new work.

Our hearts are humbled to be your Missionaries and we want to say "thank you" for your prayers and support to do the Lord's work in the field of Old Mexico.

Prayer Requests:

1. Pray for the congregation Misión Bautista Monte Sinaí (Mount Sinai Baptist Mission).
2. Pray for Pastor Juan Pablo Rodriguez and his new work in town.
3. Pray for the different contacts that we have with people in town that the Lord will draw them to Him.
4. Pray for our physical and spiritual strength.
