Jan.- March 20026

We continue to move forward in the New Year 2026. We have had a good attendance in the church services week after week with the preaching and teaching of the Word of God. A family member of the congregation has come to visit the church. We have been praying for Martin for his salvation and to turn from the false teachings of the Catholic church for some time. We have had opportunities to witness to people out on soul-winning with sharing the gospel.

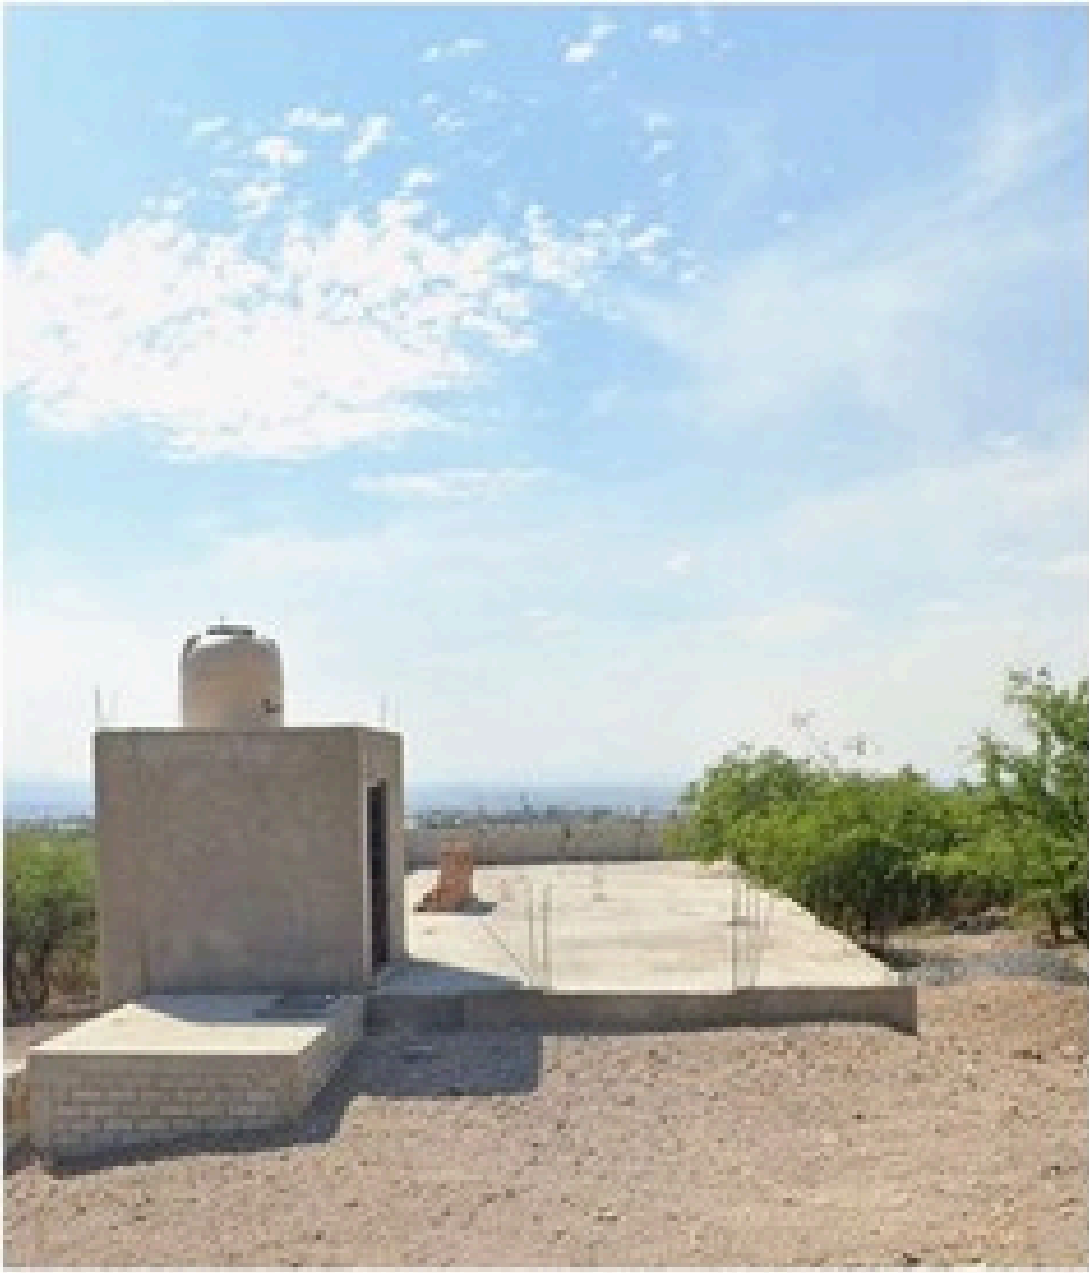

As the congregation continues to support missionaries by way of "faith promise giving" the congregation has taken on for support two new missionaries families going to the countries of Venezuela and Chile.

Do pray for us as we are starting phase 2 of our church building project to build an auditorium on the existing basement building along with two restrooms.

Prayer Request:

1. Pray for the construction of an auditorium.
2. Pray for the spiritual growth of the congregation.
3. Pray for the congregation in the community of Nigromante.
4. Pray for our physical and spiritual strength.

Thank you for your faithful prayers and financial support to be your missionaries!
