Thanks, be unto the Lord, for each of you!

This has been a very busy time. There was youth camp, Easter, David's marriage and Lena's surgery. Along with Preaching at the mission I filled in at times for the church in Colonia Matfa and preached at Barrio Abajo.

Youth camp was wonderful with most of the teens wanting to come back next year, two were saved. The price has become so high that most teens cannot come even though over half the cost was raised for them, we are praying about what to do about that for the year coming up.

We celebrated our fiftieth anniversary. Leslie and family gave a very nice reception for us. Easter was full of activities and special services. There was a great spirit and good attendance in the works.

David, our middle son, came from Fort Worth, Texas to be married to Litza from Siguatepeque. The wedding was in Siguatepeque with the reception in our Bible institute building. It was a beautiful wedding and reception with many long time friends and my mother, sister and family were there as well. We enjoyed having our family for a week. David had to leave his new bride in Siguatepeque until the US finishes paperwork to allow Litza perhaps in December to come to the states to live with David.

Lena's surgery was done on her left index finger last Tuesday in Texas and all went well. She will be well enough to return to Honduras the end of August.

Yours in Christ,

Harold and Lena Priday
