October 2016

Thanks, be unto the Lord, for each of you!

The Lords blessings continue.

We are excited to see *new families* join with us in the mission work. Last week we had an older couple **commit** to be faithful to the work with enthusiasm. Sunday we had a lady with five children visit. One of our **older teenagers surrendered** to lead songs for the youth and is doing a good job.

Thank you for praying for the *men's conference*. Pastor Polo did an a very good job teaching one of the classes and our grandson, Halbert did an excellent job teaching in another class. I taught three classes and moderated.

We are also grateful for the prayers for the family and ourselves during the time of Lena's sisters illness and passing on to Heaven, *Virginia Cansler, beloved sister*. It was a very hard time. We are very grateful for your care and consideration. We thank the Lord for those who helped us with the plane ticket.

Lena and I are another year older. In October we also completed 40 years in Honduras. We arrived in Honduras in October of 1976, approved as missionaries in July, 1973.

Please continue praying for the mission work in the neighborhood of San Francisco. We are asking the Lord to bless the physical and spiritual growth as well as property to build on.

Please pray for Lena's health as she receives special treatment on her knees here in Honduras. She has been told for many years that she needs knee replacements. We have set up with her doctor in the states to have a double knee replacement done at the same time the end of May.

Yours in Christ,

Harold and Lena Priday
