Thanks, be unto the Lord, for each of you!

We pray you and your church will have a wonderful new year. We count it a great blessing to have served the Lord last year in Honduras and are looking forward to an even better year. In June we will complete 45 years as missionaries, we look forward to many more.

Last year the mission grew and the people matured. We are excited about the three Sunday School teachers doing so well. It was a great blessing that one of the men we trained was able to do a lot of preaching while we were away. Greatest of all was the souls saved and serving the Lord.

The young people went from about four to fourteen. It is marvelous to see Anai grow and mature. She was saved in youth camp and has really dedicated herself to serving the Lord. She is a faithful leader and encourager to the other young people.

Honduras has had very turbulent times. Because of political differences there have been uprisings with marches and much destruction throughout the country; some have died. Many of you have been praying for our security for which we are grateful. In about two weeks each party is installing their candidate as president in different cities. It is totally illegal and out and out destruction has been declared. This affects our churches and mission works as well as us.

We had a wonderful Christmas program with good attendance. I am putting in some pictures for you to enjoy.

Yours in Christ,

Harold and Lena Priday
