## ***Thanks, be unto the Lord, for each of you!***

It has been a full schedule and it has been exciting to see the Lord work.

### **AND IT FELL.**

For two years we have tried to have a tree removed close to our house that was dead. Because of the rot, the limbs had fallen and the top was gone. This is a hundred foot tall pine tree, and the wind could fall it onto our house. We went to every source given us to get someone with the right equipment to take it down, no one came. Yesterday we were able to cut it down. I put a rope on the pickup and pulled on it as the man chopped with an axe. We praise the Lord that there were no accidents or problems. Prayers were answered.

### **FULL CHURCH**

We had a full church for Mother's Day, very exciting. We had a wonderful program and were able to preach to needy people. We thank the Lord for visitors who are coming.

Cristel has come forward and given her life to serve the Lord. She will be baptized and has already received some training in serving the Lord. We hope to see several baptized next Sunday at the baptismal service. It will be at an outside baptismal pool, especially made for this. It has been loaned to us.

### **VISITORS**

Last week we witnessed to a family in their home who have expressed an interest in coming to our church. The lady admitted she is not saved but is interested. We were able to share God's word also with the grandmother. They do not have a car as most people do not so they will have to be picked up in order to go to church.

### **LENA**

Please pray for Lena's surgery July 3rd. She will have a finger joint replaced. Normally she will not stay the night in the hospital but will go home afterwards. Please pray for the money to pay what the insurance doesn't pay, we are still paying on last year's operation over \$50,000.00. Pray that all goes well and for a speedy recovery. We will be back home in August.

Lena teaches the young people's class on Saturday, Ladies class on Thursday and is the Sunday School administrator. She is presently translating her lessons that she is using from English to Spanish. Along with visitation and sick calls she stays very busy.

### **ANA**

Ana is a lab technician, an excellent teacher and a great encourager. She witnesses for the Lord each day both at work and in the neighborhood, a great soul winner. She is a great help to us, another answer to your prayers.

Yours in Christ,

Harold and Lena Priday
