Celebrating 47 Years as Missionaries

July, 2020

Thanks, be unto the Lord, for each of you!

Dear Friends,

We thank the Lord for being able to use internet to reach our people. The Lord has opened doors for us and we are reaching more with our outreach using zoom and facebook. We are participating with our son and grandson reaching various churches and individuals.

We are able to meet during the week in homes with small groups so our teachers are able to have the Ladies meetings, youth meetings and prayer meetings. The Law does not allow any meetings or anyone out of their home on Saturday or Sunday so we cannot have church meetings in church or anywhere else during the weekend. There is not any hint of opening up in Honduras. The airports remain closed and there is not any public transportation. The virus continues to grow in Honduras.

Lena's eye surgery went very well, a great answer to your prayers. In about four months she will have her exam for glasses which she still greatly needs. They did not work on the astigmatism and cornea damage which requires strong correction, but she will be glad to get new glasses so she can see better.

The church has gone down as a result of the virus. we are praying when we can meet again in the building it will find all our people back again. Please pray for one of our leaders who had a motorcycle accident and badly broke his leg. The ambulance had to take him two hours to the capital city hospital. His brother went with him but there is not any transportation so we don't know how they will get back. Please pray that we can go back to Honduras. The airports are not scheduled to open for a couple more months. When we go back we will have three weeks quarantine confined in our home. We appreciate prayer for our family, church family and friends in Honduras exposed to the growing virus threat.

We know you are suffering also and keep you in our prayers. Thank the Lord who hears and responds to you in this difficult time. Prayer is important.

Thank you for your faithful prayers and support. May the Lord bless you richly as you continue serving Him .

Yours in Christ,

Harold and Lena Priday
