*Celebrating 51 Years as Missionaries*

Jan , 2024

**Thanks, be unto the Lord, for each of you!**

Greetings from Honduras,

We have had **an exciting month.**

The **four baptized** are taking leading parts in the activities of the church. They are also inviting people to come to the Lord and come to church.

We had *wonderful special services* for Christmas and New Years. We also had a great service a week ago with another church. Our church was full and we had lots of special music.

***Our needy children's ministry has grown. PLEASE PRAY ABOUT HELPING A CHILD.***

*We are helping some great children go to school who wouldn't be able to without help.*

*Daniel is going to college this year. He is a top student, graduating from high school with top marks. He is faithful in church, helps with the music, helps his widowed mother. Serves with a wonderful smile. He would not be able to go without the needy children's support from our ministry.*

*Walter Harold has learning problems and needs special schooling. He is smart, a fine Christian young man and loves his pastor. I am his pastor until we train someone. He is helpful and has a servants heart. He also participates in our Young peoples meeting on Saturdays. He knows his Bible. What an opportunity to help.*

Yes, I will have to take **LENA** out of the picture. That is hard for me to do. She is in heaven enjoying the Lord. Two of our best church ladies are trying to fill her absence in church. They are finding it hard to do everything Lena did for the church. The Ladies group miss her greatly, she was their teacher, Sunday School director, special meetings planner, church cook, and many other things. Oh! Harold, misses her very much also.

We are trying to do **Youth camp in April** but just learned that our reservation made in April last year was booked to someone else. We don't know how that happened. We always rented it for the same week, I've helped them in their building. We haven't found any options as to what to do. Please pray for our four main churches that participate with us in Youth Camp. Our son, Leslie, is the head of youth camp and working very hard to find a solution.

**THANK YOU FOR YOUR PRAYERS.**

**PLEASE CONSIDER HELPING A NEEDY CHILD.**
