August 2024

Thanks, be unto the Lord, for each of you!

August was a great month.

I started a new Bible study class on Monday night and it is well attended. We were please to see the man who received Christ taking the study class with us.

We did loose a Sunday school teacher that is greatly missed. It is hard to find a good teacher in a mission work. We had a teenager prepared but she left with her mother.

I thank the Lord that my health has been well. There are epidemics of two serious diseases in our area and it has been in our mission work as well.

I also want to thank the Lord for new tires on my pickup. One of the old ones blew out about fifty miles from home, out in the country. The lug bolts that had been put on to tight. We had to drive a couple miles on the flat tire to get to a tire shop. This shop was run by children with old equipment. They couldn't loosen them so they brought out a tire wrench and a long pipe, that did the job. I was shown another tire that had a bulge, time for new tires.

Please pray for the upcoming medical team we will be helping with. We look forward to witnessing to several hundred needy persons and seeing souls saved.

We will also have special services this month. The fifteenth is Honduras's Independence Day and there will be a week of celebration with three days of parades. We will be giving out tracts and have opportunity to speak to people.

The tenth is children's day which the mission will celebrate with piñatas and God's Word.

Thank you for your prayers and support.

Yours in Christ,

Harold and Lena Priday
