**Thanks, be unto the Lord, for each of you!**

### **Happy to be in Honduras.**

This is where **THE LORD IS DOING GREAT THINGS.** Two of the young children from the work we started in Colonia Matta, now young adults came to me and ask me to marry them. They were two of the first children in the mission work and their parents were leaders in the beginning. It was a great honor and blessing to be asked to perform the wedding. There was about 55 people in attendance who heard the Gospel.

The mission work was started in 1998. We started in a very small home with three people. It soon grew and the Lord allowed us to build a nice building. Merlin, Alexandra's mother, was our first faithful member and soon became trained to teach Sunday School. Mario's father soon joined and became my helper, we visited and built the work together. The mission work in Colonia Matta was organized into a church and one of the men who we trained was called to be the pastor. Don Polo continues doing a fine job of pastoring.

**Our grandson, Halbert graduated from college in Business Administration Leadership.** He came to Honduras and we celebrated with about fifty family and friends. It was an exciting time. Halbert plays the piano at his church in Dallas, Texas and is very active in the church outreach.

Sunday afternoon I drove two and a half hours over extremely bad roads to preach at a small medical center and pray for the doctors. One of the doctors had been very sick and I was ask if I would go and pray. **The Lord healed and there was a great witness left.** Two Bibles were left at the clinic for the doctor and his waiting patients.

**YOUTH CAMP IS COMING.** We have two great needs. We need **much prayer.** Satan always fights us hard. **PLEASE CONSIDER SENDING AN OFFERING.** These are young people from very poor homes. The cost of youth camp is very high. The cost is \$160.00 per young person. Thank you for praying and giving.

Yours in Christ,
