***Thanks, be unto the Lord, for each of you!***

We thank the Lord for the souls saved this month. Galilee was very bitter and angry, but she listened to the Gospel witness. She accepted the Lord. She said no one had ever given her any attention when she needed help. She was very happy.

Two rededicated their lives, one was a school teacher and the other is a very active lady in the mission work.

We were blessed to have one of our missionaries preach for us. He is a Honduran preacher, very dedicated to the Lord reaching remote villages. Our mission supports three Honduran men as missionaries.

We had a great time with an outing with our teenagers. There were 14 that went with us to a park. We had a devotion and a message with prayer. Two of our teens came back from camp committed to the Lord and have been very active in the work.

My brother, Raymand, did pass away. Thank you for praying with me for him.

Our support has dropped over the years. Please be in prayer for the need for more support. The ministry is limited to our support.

Thank you for your prayers and support.

Yours in Christ,

Harold and Lena Priday
