Celebrating 53 Years as Missionaries

Feb. 2026

Thanks, be unto the Lord, for each of you!

Because of your prayers we have seen great blessings. All I can say is **! WOW !**
There were 904 that received free medical care, medicine and free eye exam with free glasses. Every single one was taught the Salvation message and received a Bible.

THE GREAT NEWS is that 74 received Christ as their savior. What great joy we shared.

Thank you again for your prayers. It was very cold and one day rained but we were able to keep healthy and able to see great needs physically but more importantly spiritually.

The starter went out on my pickup while there, three hours from home, but the Lord again heard the prayers, and we were able to get home to the proper repair shop.

CELEBRATION: The last church we organized, Iglesia Bautista Victoria, in Siguatepeque celebrated 26 years as a church. There were 74 present. Don Polo was ordained the same day as the church was organized and called as the pastor. He remains faithful to Lord leading the church in growth and maturity. They have enlarged the building, put a new roof on and was freshly painted. We started in a very small house in 1999. Pastor Polo was trained in our Bible Institute and three teachers were trained by Lena. The church is an independent, indigenous church with its own pastor and Sunday school teachers.

We then started the mission work in Barrio San Fransico, Iglesia Bautista Gracia. We are again training Sunday school teachers and praying for someone to train as pastor.

Here are some pictures of the church celebration followed by the medical group working.

Thank you
