## Church Planters to Rhome, Texas

*Love God. Reach People. Send Laborers.*

All of the hard work and decorating paid off! On September 24, 2021, the City of Rhome issued our Certificate of Occupancy. This CO legally allows us to hold services in the building! On September 26th Antioch Baptist Church had the first Sunday morning Worship service. We had a great turn out with 30 people coming out to support this new work in Rhome! We are looking forward to seeing what the Lord is going to do leading up to our official launch on February 27, 2022. Please join us in prayer for our remodel that is coming up in the next several weeks! We will be doing a full remodel and creating two class rooms for a youth department and children's ministry. There will be another room that will be used for our nursery! If you would like to give towards this project feel free to contact me, or our sending church, or specify special offerings as the "ABC Remodel."

In family news...

**SILAS IS FINALLY HOME!** We are finally all together in our new home as a family! The Lord has been so good to us. He answered our prayer by allowing Silas to come home two days before his two month birthday (the same day we received the keys to the church)! Caryssa and I are so very thankful to the many individuals and churches who have been praying for us during this journey. We can truly say that we are beyond blessed because of the love and support that was demonstrated to our family during this time. Salem is a wonderful big sister! She loves her "Baby Brudder" more than anything in this world.

In closing, thank you to all who have supported us through this journey! We are beyond grateful for the love and support we have received. The Lord has been so good to us, and once again we give thanks Him for His perfect timing in all things! We hope and pray that this letter, in hearing of the fruits of your investments, will be an encouragement as you continue to serve our Lord and Savior, Jesus Christ!
