The county has appraised the property at 1.5 million, but they are willing to sell it to us for 1.3 million. (We are praying that they will accept a lower offer.) While this is a high note for such a young church to carry, we believe this is where God would have us. On our big days and events we are experiencing seating and parking issues. We know that with this potential building, the growth that is already here, and our active witness in the community God could and would do an amazing work in Rhome, TX!

Although you may have given and continue to sacrifice for this church, we are asking once again that you will support us in this effort. Our goal is to raise a substantial portion of the asking price as a down payment to aid in the monthly payment price. Ultimately, whatever is given will be a great blessing and incredibly appreciated! Beyond giving financially, we ask for your prayers specifically for the funds and purchasing process!

I want to express my deepest gratitude for any contribution to this work. Thank you once again for your support and faithfulness to the Lord in this work in Rhome!

In Christ,
