Dear Churches and Praying Friends,

Greetings from sunny Cartagena, Spain! We trust this letter finds you blessed and encouraged in the Lord's work. As always, your faithful prayers and support continue to be the foundation of our ministry here in Spain.

Ministry Encouragements

The Lord has brought several new visitors to our services, and we're praying earnestly for their hearts to be open to the Gospel message. We're particularly encouraged by the spiritual maturity we're seeing in some of our regular attendees. Both Javier and Ruben have begun sharing Scripture and testimonies during our services, which has been such a blessing to witness.

Weathering the Season

The Cartagena heat has definitely arrived in full force! Summer temperatures here can be quite intense, but the Lord continues to provide strength for the work. Please pray for our endurance during these hot months, both for our family and for our congregation as they faithfully gather despite the challenging weather.

Prayer Requests

We humbly ask for your continued prayers for the recent visitors who have joined us. Pray that the Holy Spirit would work in their hearts and draw them to salvation. Please also pray for continued numerical and spiritual growth in our congregation, and for Javier and Ruben as they develop in their ministry roles. Your prayers for wisdom in discipleship and evangelism are always appreciated.

Thank you for your partnership in reaching Cartagena with the Gospel. Your faithfulness to support missions work is not taken lightly, and we're honored to serve alongside you in the Great Commission.

*"And let us not be weary in well doing: for in due season we shall reap, if we faint not."
- Galatians 6:9*
