## GREETINGS!

Happy New Year Fellow Laborers!

The Lord has truly given us a blessed deputation! This quarter started out with a meeting back in Texas. Upon arriving in the Metroplex, we found that there were no RV parks with any availability within 20 miles of Fort Worth! We were so incredibly grateful to Heritage Baptist Church for allowing us to hook up our 5<sup>th</sup> Wheel on their church campus. We remained in Texas through the rest of October, and greatly enjoyed the opportunity to be a part of the IBFI fall meeting. I was very grateful for the opportunity to preach in the Wednesday evening portion.

We then took a leap of faith as the Lord led us to take time in Washington State (my home state) for meetings and conferences. We bought our plane tickets with only one meeting scheduled, but with faith that God would fill our calendar. Sure enough, a few days before flying out, we managed to schedule several more meetings! It was a great encouragement to see God work in that way.

Since we arrived in Washington, our schedule has very nearly filled up completely. We still have meetings in Washington for the rest of January, and we plan on flying back to Texas in the beginning of February. Thank you to all the churches that have been supporting us so far. We have been so blessed and overwhelmed by the love, care, and generosity of the churches we visit. God is preparing every step of the way.

We are currently at approximately 15% support. If we can keep this rate of support going, we should be able to make it to Brazil by December 2022, or early 2023. Be praying for us that our schedule for the year will continue to fill up, and that more and more churches will take us on for monthly support. We are excited to see where God takes us next!

In Christ,

Jeremy & Joneia Bennett
