GREETINGS!

The Lord has kept His guiding and protecting hand on us this summer. From Oklahoma City to Houston, Fort Worth, and Haslet, we have had some highs and some lows. We encountered two fatal wrecks on our travels, one of which happened only twenty feet in front of me! A cement truck toppled off an overpass and landed on the car in front of me! I thank God for his protection on me that day.

I had been told that the summer months would be challenging on deputation, but it was in different ways that I expected. Our calendar for July and August were generally full, but by the end of August, our support had only increased by 2%. We were somewhat confused, but veteran missionaries encouraged us that much of summer's support comes in during the fall, and we certainly saw that to be true. We jumped from 47% support in August, to over 60% support in September! God is truly providing for us during our deputation.

Our visit to the Brazilian consulate in August went mostly well. Joneia and I are now legally and officially married in Brazil... as long as we are not in Brazil... if that makes any sense. But that particular document allows me to get my Visa as soon as we purchase our plane tickets. There were also a couple complications with Joneia's Brazilian passport that we are praying will be sorted out promptly.

September was our busiest month yet with four missions conferences in a row. All of our meetings this quarter have been successful and have been huge blessings to us. After all of our conferences, I had to get an ingrown toenail removed that had been bothering me for years. Be praying for a speedy recovery before our next month of deputation begins. This previous quarter has been extremely productive, and we look forward to OUR LAST QUARTER OF DEPUTATION! As we looked ahead at the price of plane tickets to Brazil, we realized that we needed to push our departure goal to the middle of January. We are currently on track to depart in January 2023.

Thank you, and God bless you.
