We Have Arrived in Brazil!

We are so grateful to have completed deputation with 100% Support! Thank you so much to all our supporting churches for your love, prayers, and support. On January 22, we had a fantastic ordination and sending service. The following night, our bags were packed, and we were on our way to Brazil! The flights went very smoothly. Thirty-five hours later, we arrived in Brazil with all our baggage intact.

I am working hard at studying and learning Portuguese. For me, it has perhaps been one of the most frustrating things not being able to talk for myself, but it motivates me to learn the language as quickly as possible. To help with my studies, I am already song-leading in every church service. This gives me the opportunity to read Portuguese frequently. Joneia is also teaching the children on Wednesday evenings. In the middle of February, we had our annual Teen Day Camp. There were twenty-four teens in attendance. We were grateful to see the Lord's hand bringing us here just in time for the number of teens we had for camp. Please pray that God will capture the hearts of all our teens.

We are happy to report that our new fence around our property is about three-quarters complete! Thank you so much for your support for this project. The fence was built just in time to help safeguard our teen camp. We are still negotiating with our neighbor regarding some of their trees on our last fence line. Please pray that they will be willing to negotiate. At the beginning of March, our home renovations began. Pray that our house will be completed quickly and that there will be no complications. Please let us know if you want to help with our startup costs! God has done so much for us already.

Thank you so much, and God Bless you.
