Dear Friends,

We are back in Washington and Oregon and we probably need to make that clear. We live in our house usually Tuesday through Thursday and on Friday to Monday in the church apartment in Oregon. Some folks have asked us how that all worked out, so I told them we enjoy being home but we also enjoy being away from home.....so he said "it sounds like a vacation every week". Let's not forget that it is a ministry and it is to take your work everywhere you go.

IBM Campmeeting....was as good as expected and we were encouraged through the preaching and the fellowship of co-labourers in Christ. We all work in different parts of the country but we can all relate with the issues among our Native people. The real help comes in the teaching that relates to the family and Bob Phillips did a wonderful job in the marriage and children aspects of ministry.

The founder of IBM is Josh Harjo but he passed the mantle of leadership to Alfred Harley, who is Pastor in Okmulgee, Oklahoma.

Campmeeting provides great music, tribal attire contest, and has great activities for all the children and young people.

The camp has always been free of charge (plus a 3.00 per person insurance), so you can see the benefits it gives to all the campers.

This is a faith ministry and if you would like to help with any offerings or monthly support, or even a one time gift, **please send to:**

Salvation is....the greatest gift to man. It is the Lord himself generating the new birth through the Holy Spirit and the indwelling counts for our ability to perform the work of ministry. Ministry is about the need of this salvation to all the world and you and I are privileged to serve our Lord Jesus.....let's keep doing it together for his sake!

May the Lord Bless you,

Larry G. McKinney
