November / December 2022

November is the time of giving "Thanks", and it is to the Lord of heaven and earth. We are a very blessed people as the family of God. We decided to have a Thanksgiving Revival for three services and the Lord saved a Mom and a daughter, (14 year old).

Evangelist Jerry Begay from Naschitti, NM came to preach for us and the Lord used him to do what was needed. We had about 75 in attendance for Sunday morning and that was the most we had since covid.

November was also a time to be thankful for the memories of our middle son Joel. He had been battling and struggling in his walk with the Lord for a while and the Lord took him home. He was 43 years old, and we ask that you pray for his wife April and he left behind four children. We had mentioned him in our prayer letters some time back but the Lord carried out His chastening hand according to his will. I just thank the Lord that he was saved and we will see him again someday.

I had some family members come for the funeral from Oklahoma and they gave us the support we needed at the time. Regina and I are grateful for some churches that sent cards and especially the offerings to help us during this time of need....THANKS !!!

We had a Thanksgiving dinner with our families here and there must have been about 33 of us to "Give Thanks".

December has already started out well, as we are in charge of the Christmas Tree lighting ceremony for the Reservation. We sing hymns and tell the Bible stories along the Virgin Birth of our Lord Jesus Christ, and again of his coming again for His Church.

That happened on December 1, and there are other events when we go caroling on the 11th in the neighborhoods, and we even have a community Christmas dinner on the 18th. We are having a exciting Christmas service on the 25th. It is a time to give Bibles and Tracts and a verbal witness to the people here.

These are opportunities the Lord has given out there and we need your prayers !
