FEBRUARY 2023

Dear Friends in Christ,

We are so "thankful", there is a Spring. The change in weather seems to motivate you into making plans and getting into the "Spring of Things".

One of the plans for Regina and me is that we are planning to go on the road and enjoy a time of furlough. We will begin in the Northeast part of the country and then to the south until we get into all of our supporting churches. We are excited for this and are looking forward to seeing you. Pastors, please help us in our scheduling and we will do good for the church you are serving.

For January and February,.... we did see around 9 people get saved and I think 7 of those were from the Good News Club we have every Wednesday afternoon.

We do thank you for the prayers you pray for this activity for the school kids.

Pray for our church van, we need some engine work. The distributor shaft and the cam shaft had a few broken teeth and it may have jumped timing.

It was recommended by the mechanic to find a good used engine instead because the van is a 2002 with high mileage. It has served us well here on the Reservation. If there is anything you can do to help us replace or repair it, help us decide.

We have had three men in the church doing the preaching every Sunday night and they are well able men to continue carrying on in preaching the Gospel of Jesus Christ.

We are turning the corner in our ministry, as we will be seeking the Lord's will as to what he would have us to do. We have an idea of what it is but pray for us anyway.

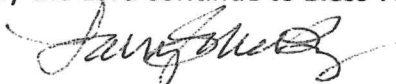

Like for you to pray for my oldest brother, Gary, who is having health issues and his daughter Ashley, as she battles cancer with spots on her lungs. They are very special to me and would ask you to make them a part of your daily prayers.

Pray for our Resurrection Revival on April 7-9, and our speaker will be Scott Silvers. He has done so well in times past and we can't wait for those days to arrive...."Revive us again".

My wife and I will be leaving here next week and our destination is Israel. Some good people have planned this for some time and have paid for our trip. This July is our 50th anniversary and they wanted to do something special for the McKinneys. It's hard to believe that we will actually be going but all we can say is "Thank You Lord".

Our hearts are full and we love you folks who carry us by prayers and support. Appreciate your heart for missions!

May the Lord continue to Bless You !
