Dear Colaborers:

Thank you so much for your prayers and faithful financial support. We definitely have needed your prayers for Alba's health. What we thought started as a cold, then was diagnosed as a throat infection, then pneumonia, turned out to be more serious and she was hospitalized for four days. She was seriously ill for about three weeks. But praise the Lord that at her last checkup all was well. The doctor said that she was free to go on our big trip!

The trip to Israel, Ephesus, Corinth, Patmos, and Athens excelled our expectations and we thank the Lord for the privilege to go! We thank the Lord for Olive Tree Ministries and the Sawilowskys for their hard work and the wonderful time. Truly this short letter nor words can describe what our eyes saw and our hearts felt. What a blessing!

The mission work continued on in our absence with the help of our son Halbert and three Honduran pastors. We praise the Lord for a new family that began attending. Please pray for them, the Flores. A young man who has been living with his girlfriend and now they have a baby are coming for Counselling and plan to be married in September, praise the Lord. In the past he was very faithful so we are excited for the Lord's dealing in their lives.

In September, we will have a special event to celebrate national Children's Day. In October, we have our annual national Men's conference so please pray for these events, critical to the state of ministries here. My Dad will be teaching the Men's Conference.

Thank you so much for your prayers and financial support. We count it a privilege to be your missionaries in Honduras. May the Lord bless you greatly.

Yours with Hope for Honduras,

Leslie & Alba Priddy
