Dear Prayer Partners:

Thank you so very much for your prayers and special offerings for the Youth Camp which was during what is called in Latin America HOLY WEEK. God provided the funds we needed to be able to lower the price to where the families could afford to send their youth. Thank you so much for your help! Although it was difficult for me, everything went smoothly as we had planned. We had a wonderful testimony service at the bonfire the last night. We had about thirty youth plus the counselors and preachers for a total of forty people. The morning classes were on 1 Timothy taught by Pastor Daniel Flores and my father, Missionary Harold Priday. In the afternoon and after the night services, we had games and activities with an emphasis on leadership training and teamwork. These were directed by a team that has become adults in our camps each year and they did a great job. They were trained in past camps by our son Halbert. We had services each night with a different pastor preaching and I preached one night, and we showed a movie about King Josiah. We had several that have not been saved, so please pray for their salvation.

On Resurrection Sunday we had a sunrise service with my Dad's mission work with good attendance. We are praying to reach new families this year. We also continue to have our weekly visitation program. I praise the Lord for Bro. Javier who is helping me preach and lead the music. We had special services for Father's Day in March. Six fathers were in attendance!

In family news, many times we have requested prayer for my Grandma, Doris Evelyn Priday. Last March 19<sup>th</sup>, at the age of 101 years, 5 months and 2 days, my beloved Grandma went home to be with the Lord and many who preceded her in death. My Dad preached her funeral and I read some scriptures. Please pray for all the Priday and Patrick families. We will miss her but are glad she is with the Lord, Grandpa and enjoying Heaven.

**Thank you** again for your faithful prayers and financial support. May God bless you greatly.

Yours with Hope for Honduras,

Leslie Priday
