Dear Colaborers:

Please forgive the tardiness of this letter. I have many excuses, But I apologize for the delay. I had some sickness in April. I appreciate your prayers even though you didn't know. I am much better now. We are in an extended dry season in Honduras after an unusual amount of rain in March. Many people are suffering from allergies, sinuses, and breathing difficulty due to the dust and smoke.

We celebrated Father's Day in Honduras March 19th. The following Sunday the ladies celebrated with a delicious lunch, and we had six Fathers present, plus my Dad and I. We had a gift for each one. Mother's Day is the same day as in the States. We also had six ladies present for Mother's Day, and a gift for each one. Several who were visitors came back the next Sunday!

In Between Father's and Mother's Days, we had YOUTH CAMP! What a wonderful time it was. One day we had two hailstorms and had to sweep water out of the meeting hall. I praise the Lord for the special offerings from churches and individuals that allowed us to provide financial help to anyone who wanted to attend the camp. What a blessing. I thank each of you who prayed for and or contributed to our 2026 YOUTH CAMP. We had 51 campers and adults. We praise the Lord that we had three receive Christ as their Savior. Many dedicated or rededicated their lives to the Lord. The theme was Colossians 3:11c, "But Christ is all, and in all." Each day began with cabin devotions, then classes from 9:00 to 11:00. After lunch we had games oriented to working together and leadership. Each evening after supper, we had formal services with 3 different speakers. One night we showed a Cristian film. The final night we had a bonfire testimony service. Thank you again for your prayers and special offerings.

Speaking of prayers, June 19th we will start a three-day revival with a Honduran pastor from another city. Please join us in prayer for this special time that we will see spiritual repentance and revival in the lives of our church people. It is a privilege to be your missionary in Honduras. Thank you very much and God bless you.

Yours with Hope for Honduras,

Leslie Priday
