Dear Pastor and Church,

May – June 2021

GRADUATION AND THE GREAT OUTDOORS

The month of May saw two very special events. **We were able to have a graduation service for Ganado Baptist Bible College for 2020 and 2021.** Pandemic restrictions caused us to have to wait on graduating our 2020 class. **We are very excited for the future of these five graduates. We also saw our first ladies graduate from the College!** Bro. Dheidrick Hobbs graduated and is now interning with Bro. Joel at Strong Hold Baptist Church in Pinon. He plans on starting a work in Chinle after a period of training for him and his wife, Joetta. Pray for them and all our graduates!

We also held a Men's Camp Out which was headed up by Missionary Justin Barnett. The turnout was great, and the Lord really used the time we got to spend with the men of the various churches. **There were three saved that came with Crownpoint Baptist Church. It was an encouraging time.** We believe there will be long-term fruit from this meeting!

GREATNESS OF OUR GOD ON DISPLAY AT NAVAJO YOUTH CAMP

We had absolutely no idea what to expect for the first Navajoland Baptist Youth Camp in Nazlini.

There were a good number of young people that signed up, but you just never know what the final result will be. I am thrilled to say that our God glorified Himself in a mighty way! There were 109 souls that gathered for this first ever camp on the Reservation. Pastor Jerry Ross was our Camp Speaker and he was outstanding! There were 14 saved at Camp and seven young men surrendered to the call to preach!! I am so amazed at how the Lord worked in so many lives! Mrs. Haynes and I had the privilege of leading

the Camp Youth Choir. The young people did a remarkable job of singing for the Lord. It sounded fantastic! There are numerous needs to improve the camp and make it available for more young people. I would invite you to visit our son's website (www.navajolandbaptistmissions.com) and see if the Lord would lead you to have a part!

GRAND TIMES AT VBS!!

I will update you on all the VBS meetings in our next letter. We have had the privilege of being a part of the Pinon VBS (125 High Attendance), our own Ganado VBS (70 High Attendance), and have seen several saved. We will be in Low Mountain next week for the VBS there. It was so great to get back to reaching out to the community via VBS! We could do none of these things if you were not standing with us! Thank you and please keep praying!
