Dear Pastor and Church,

January – February 2023

JUMPING INTO JANUARY

Because of how the calendar fell, our annual Watchnight Service was held on Sunday night, January 1st. It was a great time of singing, preaching, and fellowship with a Chili Cookoff to boot. We had several churches join us for the evening service as we renewed our vision for 2023. We had several of our younger preachers speak and then our son, Joel capped off the evening. Our theme for 2023 is “All of Me.” No holding back on the Lord! It was a great start!

We also were able to host a Spiritual Gifts Seminar sponsored by Ganado Baptist Bible College. We provide free training for churches at this meeting and there were over 125 present with several churches represented. Bro. Pete Rietz, our dear friend from Durango, Colorado taught and challenged all of us to use the gifts God has given to further His ministry. It really helped our people!

Church services have gone well, and we saw a man saved when one of our soulwinners dealt with him after a service. Please pray with us for our baptism service scheduled for April 16th. We have several folks lined up to follow the Lord in this important first step!

FLYING INTO FEBRUARY

I was honored to be with Pastor David Grice in Grand Prairie, Texas for their Missions Conference. The hearts of the people were tuned in and I am blessed to have been supported by these good folks for many years. I was also privileged to travel with several of our Navajo men to Ardmore, Alabama and be a part of a “Navajo Night” with Bro. Brent Logan’s good people. It was such a privilege to see the burden put forth for the need of the Navajo Nation and all of Native America. Please let me encourage you to watch the video “A Harvest in the Desert” on YouTube. I pray God would use it to stir your heart for the great opportunity God has given us in Native country!!

TRULY HUMBLLED WITH A TRUCK

So many of gave financially and prayed that God would supply us with a truck for the work of the ministry. Well, we were blessed way beyond anything we could have expected. Through the giving of so many, we received the 2021 Ford F-150 while at the meeting in Alabama. Thank you so much, folks. It has already been put to use (hauled 12 tons of gravel with it one day). Mrs. Haynes and I do not take this for granted. We are humbled. You were and are a blessing.

SUPPORT ADDRESS CHANGE

For those of you who send our financial support through our clearing house, please note the change of address below. IBFI is now utilizing a PO Box instead of a physical address. Your prayer support need not change – please bombard the throne of God for us as we endeavor to reach the lost. Our Bible studies and services have been enriching and we are watching our good folks at Ganado step up in ministry. We need God’s power and presence now more than ever! Thank you for joining hands with us. And please pray for a moving among the 574 Federally recognized Tribes of our great country!
