**VETERAN MISSIONARIES FOR 44 YRS.**

Dear Pastors and Friends,

May-Aug 2018

## **WORK REPORT**

Psalms 136:1 - "O give thanks unto the Lord; for he is good: for his mercy endureth forever." Once a month on Sundays for both services, I preach God's word in two languages. I translate from Spanish to English because one of the members speaks English.

Karin continues to play the piano and organ, teaches children's church, and also helps with the Ladies Ministry. On Sept. 16, it will be Karin's turn to teach the Ladies Ministry.

## **HEALTH REPORTS**

I will be seeing a GE Dr to have my esophagus stretched. Please pray for me as I am battling with acid reflux and a hytial hernia. Also, I will be seeing a Urologist Dr to check to see if all is ok. My BP is doing very well. Praise the Lord.

Karin's health is doing much better. She has muscle and joint pain from her Radiation treatments she had in 2016. Also, she was sick with kidney stones but is much better. She is still in the Clinical Research Trial for her fatty liver disease. The medicine she is taking seems to stabalize her liver. Thank you all for your prayers

## **WITNESSING FOR CHRIST**

We are continuing to witness for Him. We tell others about Christ whenever we get the opportunity. We hand out tracts, chick tracts, and sometimes we have the opportunity to give out Bibles that are provided by the Bearing Precious Seed in El Paso, Tx. We also, witness to the people here where we live at the apartments.

## **THANK YOU**

We thank you all for your prayers and financial support for us all these years. May the Lord richly bless you all in a might way.

**TILL JESUS COMES,**
