

October2023

Dear Pastors and Friends,

"I can do all things through Christ which strengthen me". We are still in San Antonio, Tx. serving the Lord. There are many opportunities to give out tracts & Bibles. Many people here at the apartment complex are asking for Bibles. Since the covid 19, people are more open to hear the word of God. So, we have to take every opportunity to let the people know of the word of God.

### **HEALTH REPORTS**

Please pray for me (Ted). I have been having trouble swallowing. I was in the hospital in Aug. because of food lodged in my esophagus & had a procedure to remove it. I am not able to walk at this time. I am using a wheelchair to get from the bed to a chair. I am receiving physical therapy treatments. Pray that I will get my strength back. I also have a problem called nocturia. I will be seeing a urologist about this matter. The Drs will be doing an MRI on my brain to see if nothing has changed since my massive stroke in 2007. Karin is a fighter. She has gone through a lot over the past yrs. She has been cancer free for 8 yrs. She is still seeing her oncologist & breast surgeon Drs. This past yr. she was diagnosed with covid. Praise the Lord she was healed from it with no side effects. She still has pain in her upper arms from the chemotherapy and radiation treatment. She also has been diagnosed with Fatty Liver Disease. There is no CURE but just being on a special diet. She has lost weight which the Drs are very glad.

## WORKS IN MEXICO

Please pray for our works in Mexico. In Chihuahua, Mexico, the Templo Bautista Victoria is still continuing for the Lord. They are winning souls Praise the Lord. One of the ladies who attends the church was our first convert, Lupita Reyes Pallares. In Torreon, Coahuila, Mexico, the people have built a church, Templo Bautista Zaragoza Sur. The seeds were planted and now we have the rewards. The saying goes "Little is much when God is in it"

## THANKS AND APPRECIATION

Praise the Lord, for He is good and helps us through our trials & sickness. We just want to thank each one who have Prayed for us. Also, for sending us e-mail messages, phone calls, birthday, get well, Christmas, and encouragement cards. There are several Pastors who send their Bulletins. We would love for you to send them when you can. Also, thank you for your special love offerings and financial support. Without your help we could not accomplish what we are doing. Only in Heaven will we know our reward.

We are in the process of changing churches. We will be putting out another letter to give all the details. May God bless everyone.

Until Christ Returns

**TED & KARIN JOHNSON**
