

## ROCKWALL BAPTIST CHURCH

Dear Pastors and Praying Friends,

We are nearing six months of my being pastor at Rockwall Baptist Church. Time has flown by! We have been busy over the past few months.

In May, we held a Ladies' Luncheon on the Saturday before Mother's Day. Melissa brought a short lesson, and some of the ladies brought visitors in to enjoy fellowship. On Mother's Day, several visitors came. One family rejoiced as their daughter came who hadn't been to church in over ten years. We are praying for this young woman to return to the Lord, and you can see His hand in her life.

We also started up our outreach program in May. We were able to walk the streets nearest to the church and invite people to church. We have had some good conversations with some of the people nearby and we pray that God will work on their hearts that they might come to church one day and hear the gospel. We also mailed out roughly 60 cards to new move ins in the city to invite them to church. We have had two visitors coming regularly on Sunday mornings.

In June, we held a Men's Prayer Breakfast on the Saturday before Father's Day, and had a few visitors come to that as well. There is one man who came and is interested in visiting the church, but needs to work out his job schedule in order to come. Please pray for Adam. On Father's Day, the same young lady mentioned above came to visit again. We pray that the Lord will use the messages that she has heard, and her parents' faithfulness to soften her heart. Please be in prayer for the Harris family.

For July, we have a VBS planned! We are very excited that some of the recent graduates from Norris Bible Baptist Seminary will be coming out to help us. It is scheduled for July 17-20. Please pray that we will see boys and girls come to know about the Lord, and that they will be able to reach their families for Christ.

In Christ,  
The Roa Family (Tony, Melissa, Audrey, and Caleb)
