

On the Wings of Prayer

“Because thou hast been my help, therefore in
the shadow of thy wings will I rejoice:”
Psalm 63:7

July/August 2020

Turn you to the stronghold, ye prisoners of hope: - Zechariah 9:12

With the changes that have taken place in recent months, our church and missionary ministries have been greatly affected in numerous ways. While our methods have been altered, God's interaction in our preaching, singing and witnessing is still in effect. God is still working in the lives of men, women and children. God is still working in and through your life! God is still calling, equipping, sending, sustaining and using missionaries around the world.

I have been encouraged in recent days - as I read of triumphs in the midst of trials - as our missionaries continue to move forward in this rapidly changing world. Our missionaries are now facing new obstacles in their travels, such as increased time, difficulty, expenses and quarantines; and yet they are still traveling. Our deputation missionaries are facing uncertainty and delays. Some are under supported but still moving forward. Some face severe VISA restrictions; that they have yet to overcome. Some missionaries are currently battling illness - including Covid 19 - and more are certain to face these battles. I encourage you to continue to pray for these missionaries.

Thank you for your faithful and generous financial support for the IBFI Mission Agency, Missionaries, Norris Bible Baptist Seminary and the various other Ministries of the IBFI. Certainly, there are many prayer requests that have gone unspoken. Your prayers for us are important and powerful blessing! *-John Peebles, IBFI Mission Director*
