

# On the Wings of Prayer

"Because thou hast been my help,  
therefore in the shadow of thy wings  
will I rejoice:" Psalm 63:7

## God is Able!

Forced by circumstances, King Darius spoke to Daniel as he was lowered into the lion's den "*Thy God... will deliver thee*"; but only after a sleepless night of fasting, would he really believe it. The king, rising early, hoped against his doubts and asked the question "*O Daniel... Is thy God able?*" What encouragement should well up in our souls as we hear Daniel reply "*My God hath sent his angel...*"! Our God is still able. Believe it, stand on it, act on it, never doubt it!

God has used you again to supply the needs of the mission office. We reached our goal of \$200 of additional monthly support, and special gifts were received to cover the \$750 deficit.

Thank you for your faithful giving and prayers for us.

John Peeples, IBFI Mission Director

### September 2013

- **Darrain and Mari Coker (Mexico)** report God's blessings on their ministry. Some of their members have begun teaching Sunday School. The Coker's were able to help in a VBS at another nearby Baptist church. They report a good response with children and women coming to Christ. They are also utilizing home Bible Studies to disciple the saved and reach the lost.
- **Ted and Karin Johnson (Mexico-Medical Leave)** are active in teaching the Discipleship class and a Sunday School class, as well as, going on visitation. They are happy to help out wherever there is a need. Bro. Ted is receiving some therapy on his leg and arm to strengthen them. Hopefully, he will soon be able to walk without the leg brace.

- **Larry and Regina McKinney (N. A. Indians)** recently lead a man to the Lord while traveling by bus to a fellowship meeting. Bro. McKinney was invited to preach at a fellowship meeting in Montana. The Lord blessed with a “spirit of revival.” Please continue to pray for the McKinney’s as they reach the Indian people for Christ.
- **Mark and Tricia Haynes (Navajo Nation)** report a good attendance at VBS in Ganado with a high attendance of 112. There were a total of 21 new converts. Please pray that these will “grow in grace and the knowledge of our Lord.” Bro. Mark and his family helped in the VBS at their son’s work, Joel, in Nazlini. There was a high attendance of 116 with 15 saved.
- **Daniel and Michelle Jones (Mexico/Rio Grande Valley)** report the Bethesda Fundamental Baptist Institute in Mexico is doing well. They continue to train nationals to train others also. Their latest prayer letter highlights a family that has gone through the institute and all are serving in the Lord’s work.
- **Prayer Request:** Lena Priday recovering from a broken toe. C.L. Jones had some recent test. Michelle Jones has asthma, migraines, and sleep apnea. True and Diana Hawkins’ complete recovery from the Dengue Fever. Ted Johnson is receiving some therapy on his leg and arm to strengthen them. Bro. Ted hopes to be able to walk without a leg brace soon. Frank Smith receiving therapy for chronic back pain. Health and safety for all our missionaries.

*“Millions have never heard of Jesus. We ought not to ask, Can I prove that I ought to go? but, Can I prove that I ought not to go?”*  
- Charles Spurgeon
